

Microsoft Hosted Exchange

Microsoft Hosted Exchange from CenturyLink enables businesses of all sizes to access email, contacts and calendars from mobile devices without the cost and hassle of managing and updating your own email server. It's hosted on our cloud so you get the benefits of cost-efficiency and security – all without the worries of day-to-day application management. Plus, we don't just claim reliability when it comes to your applications – our 99.99% uptime SLA beats the industry standard.

Standard Features

All Microsoft Hosted Exchange plans and bundles come with:

License for Outlook 2007, 2010 or 2013

Email security including anti-spam, anti-virus, anti-phishing and filtering capabilities

Shared calendars, to-do lists, shared contacts, Outlook Web Access and more

99.99% uptime SLA

Mobile ActiveSync for iPhone, Android or Windows devices with Exchange 2010

FREE 24x7 technical support, with access to our online Knowledge Base

Daily Exchange server backup

Online management console to easily manage your account

Offers available for a limited time. General—Services and offers not available everywhere. Savvis may change or cancel services or substitute similar services at its sole discretion without notice. Offer, plans and stated rates are subject to change and may vary by service area. All services may require payment by credit card with U.S. based billing address. Monthly recurring charges will be assessed in advance and are non-refundable under any circumstances and usage-based and non-recurring charges will be assessed when incurred or on the first day of the next billing cycle, at Savvis' sole discretion. Offers may not be combined. Additional restrictions may apply. The standard monthly rate will apply each month until service is cancelled by customer. Plans; Terms and Conditions—Customer must accept savvis direct terms and conditions and all applicable third party terms and conditions, as required. Service level agreements (SLAs) in the terms and conditions describe customer's sole remedy for service quality or performance issues of any kind. All rates exclude taxes, fees and surcharges, as applicable. Monthly recurring charges include listed features and service has no term commitment.

Exchange Add-Ons

Customize your Microsoft Hosted Exchange plan with these additional features by adding them to your cart during the checkout process:

\$1.99 per mo/GB	Additional Mailbox Storage Get extra email storage to accommodate heavy users. Additional storage is added to a “pool” of storage that can be utilized by any user.
\$2.99 per mo/GB	Outlook Backup Add simple backup for lost emails, contacts, calendars and settings. One subscription covers all Exchange users with 512MB of backup storage per user; additional backup storage is available as well.
\$3.99 per mo/user	Policy-Based Email Encryption Add an additional layer of security to your anti-virus and anti-spam protection with policy-based email encryption.
\$9.99 per mo/user	Blackberry Synchronization Allows Blackberry users to send and receive email, plus access calendars and contacts from their device.
\$4.99 per mo/folder	Public Folders A shared repository for emails, attachments, calendars and contacts that multiple employees can access. Perfect for department collaboration (like having shared mailbox for a “careers@” address).
\$4.99 per mo/mailbox	Resource Mailboxes Assign conference rooms or media equipment their own shared calendars, making reserving shared resources through Outlook easy.

Why Choose CenturyLink Cloud Services?

You can count on CenturyLink Cloud Services to deliver the quality of service you expect from a cloud partner.
