

# CenturyLink Web Hosting

Web hosting from CenturyLink Cloud Services provides you with a secure, easy to manage, and dependable online presence, without the costs and headaches of maintaining complex IT infrastructure.

Use our cloud applications and tools to extend your marketing reach, such as Attracta to raise your site's visibility on search engines. Make it easier for mobile users to find you online with a mobile optimized website from goMobi. Drive online sales with an eCommerce store from Pinnacle Cart. Secure your website while enhancing user confidence with industry-leading security from SiteLock and StopTheHacker.

CenturyLink's powerful cloud services and infrastructure provide you with the confidence to put your business on the Web. Our cost-effective, reliable and easy-to-use solutions will help you grow while maximizing user productivity and reducing IT overhead. You will be able to minimize maintenance, improve operational performance and maintain security as you reduce technology spending, freeing resources to focus on more strategic business projects.

Included with each web hosting plan, you'll get a free 1-yr domain name registration, Webmail, FTP access, SiteBuilderSM website development tool, and 50 or 100GB of storage.

Offers available for a limited time. General—Services and offers not available everywhere. Savvis may change or cancel services or substitute similar services at its sole discretion without notice. Offer, plans and stated rates are subject to change and may vary by service area. All services may require payment by credit card with U.S. based billing address. Monthly recurring charges will be assessed in advance and are non-refundable under any circumstances and usage-based and non-recurring charges will be assessed when incurred or on the first day of the next billing cycle, at Savvis' sole discretion. Offers may not be combined. Additional restrictions may apply. The standard monthly rate will apply each month until service is cancelled by customer. Plans; Terms and Conditions—Customer must accept savvis direct terms and conditions and all applicable third party terms and conditions, as required. Service level agreements (SLAs) in the terms and conditions describe customer's sole remedy for service quality or performance issues of any kind. All rates exclude taxes, fees and surcharges, as applicable. Monthly recurring charges include listed features and service has no term commitment.

## Standard Features

### CenturyLink Web Hosting comes with:

**99.9% uptime Service Level Agreements (SLAs)** Rest assured that your website uptime is supported by a strong SLA.

**Daily backups of your website on CenturyLink's servers** If your website is threatened by malware or accidentally deleted, we'll restore it to the previous day's backup point.

**Server redundancy** Your website is duplicated to multiple CenturyLink servers in case of a rare server issue.

**Total physical and data security** 24/7 biometric security, monitoring, and network and source code scans.

**Build with easy-to-use online tools** Quickly create professional and customizable web pages, blogs, galleries and more with CenturyLink's SiteBuilder and its simple drag-and-drop marketing tools.

**Confidence through security and remediation** SiteLock and StopTheHacker protect your site from malware and vulnerabilities, and monitor/report on the health of your website so you can maintain your valuable search engine rankings.

**Market with impact** Get in front of customers through Attracta's search engine optimization submission, included with the purchase of a Linux Web Hosting plan.

**Drive online transactions** Create a professional-looking online store, run sales reports and drive sales with the Pinnacle Cart eCommerce application.

**Secure transactions** SSL certificates from GeoTrust help ensure your customer data is encrypted, giving you and your customers the confidence to do more business on your site.

**50 or 100 GB of website space** More than enough space to build an impressive website filled with content, images and videos.

**Up to 500 webmail email boxes** Get your entire team using a consistent branded email address that matches your website URL.

**24/7 support services** Live support via phone or chat if you have any questions.
